The following information is provided to you as a requirement for the preparation of a community impact statement (CIS).

The NSW liquor laws require a CIS to be prepared by an applicant for certain liquor licence or licence-related authorisations.

The CIS summarises the results of consultation between the applicant and the local and broader community about any issues with the proposed application.

The application cannot be granted unless the Authority is satisfied that the overall social impact will not be detrimental to the well-being of the local or broader community. In determining this, the Authority will consider the CIS, along with the application, any submissions made by stakeholders, and reports from police and the Director of Liquor and Gaming.

Next steps

A CIS summarizing the results of consultation, including a summary of responses to this notice, must be included with the papers lodged with the Authority when a liquor licence-related authorization application requiring a CIS is made. Your feedback will be used to compile the CIS. Unless agreed the CIS will not identify any who comments on the proposed application.

The licence application cannot be lodged until 30 days from the date of this notice.

You will be able to view the completed CIS on the NSW Office of Liquor, Gaming and Racing website www.olgr.nsw.gov.au if the application for the liquor licence or authorization is lodged with the Authority. Notice will be provided by the applicant to you (where you provide reasonable contact details) at that time. Any person can make submissions regarding the application directly to the Authority. The law requires that the Authority take into account any submissions made when determining on an application.
